

Request for purchase of conventional feed

Please fill in this form completely. This service will be charged according to our price list.

Applicant/operator

b.i Number	
Name of operator	

Please read the following instruction carefully

The use of non-organic feedingstuffs for a limited period and in relation to a specific area by individual operators may be approved, when forage production is lost or when restrictions are imposed, in particular as a result of exceptional meteorological conditions, the outbreak of infectious diseases, the contamination with toxic substances, or as a consequence of fires.

Justification

Which of the following criteria is applicable?

- Loss of forage production due to exceptional meteorological conditions
Describe exceptional conditions
- Loss of forage due to infectious diseases
Describe infectious diseases
- Loss of forage due to contamination with toxic substances
Describe contamination
- Loss of forage due to exceptional incidence (fire)
Describe exceptional incidence

The application must be accompanied by a confirmation of the situation from the veterinarian, the municipality or the agricultural advisory service.
