

Declaration about natural flavours to be used in multi-ingredient organic products.

The following information should be provided and signed by a technical manager at the flavour producing company.

<i>This declaration is provided on the request of the organic operator mentioned below to be handed to bio.inspecta.</i>	
<i>Name of the operator:</i>	

(You can use one template for one flavour produced by your company. For more than 1, please use a copy of this template!)

Subject of declaration		Remarks
1	Company producing the flavour:	
2	Address:	
3	Person Providing this Information:	
4	Position in the company:	
5	Name(s) of flavour(s), to which this declaration refers:	
6	Are these flavours "natural" according to the US food law (21 CFR 182)?	
7	Are these flavours "natural" according to EU definition (Dir. EC 1334/2008)?	
8	Which carriers are used for each of them?	
9	Are these carriers synthetic or non-synthetic?	
10	Which solvents are used for extraction?	
11	Are these solvents synthetic or non-synthetic?	
12	Which preservatives are used?	
13	Are these preservatives synthetic or non-synthetic?	
14	Do the flavours contain genetically modified organisms (GMOs)?	
15	Have the flavours been produced with the help of GMOs?	
16	Has ionizing radiation been used at any stage for any of the ingredients?	
17	Has any of the agricultural raw materials been produced on land, where sewage sludge was applied?	
18	Have you tested your flavours for pesticide residues?*	

* Please attach a copy of the test report. Please note that flavours with high levels of pesticide residues, potentially leading to detectable levels of residues in the final product, must not be used in organic food!

In addition, please attach a complete Material Safety Data Sheet (MSDS) for flavour!

Date and signature, company stamp: _____

Thank you for your cooperation!
